

TrackEd User Manual

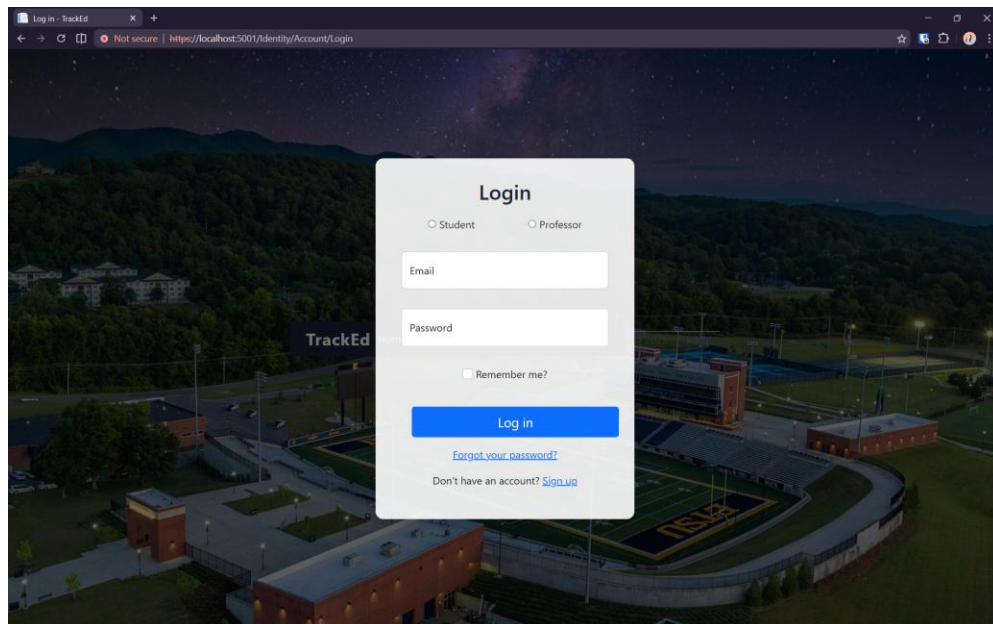

Both students and professors will see the TrackED homepage upon accessing the web app.

New users will be required to fill out this form to create a new account.

A screenshot of the 'Register' page in the TrackED web application. The browser's address bar shows 'https://localhost:5001/identity/Account/Register'. The page has a dark blue header with the 'TrackEd' logo and navigation links: 'Home', 'Dashboard', 'Register', and 'Login'. The main content area is titled 'Register' and 'Create a new account.' It contains four input fields: 'Username', 'Email', 'Password', and 'Confirm Password'. Below these fields is a blue 'Register' button. To the right of the input fields, there is a section titled 'Use another service to register.' with a message: 'There are no external authentication services configured. See this [article about setting up this ASP.NET application to support logging in via external services](#).' At the bottom of the page, there is a copyright notice: '© 2025 - TrackEd'.

Existing users will be required to log in before accessing their dashboard on this page.

Faculty will be able to see a list of their students, as well as their current status of being at their assigned location or not.
